I love adult coloring books and usually get ones that have inspirational messages so when I found one that combined swearing with inspirational messages I had to buy it! This book is great. I've included some of the pages so you can check it out prior to buying. I took 1 star off because the coloring pages are rather basic and I like a little more detail in my coloring books. Take a look as this may not be a star reduction for you. Enjoy!

I have wanted a swear book to color for awhile, I was so happy to find this and at this price it's perfect and I will be buying some for friends birthdays

This is a neat book but the pages aren't perforated. Designs are fun and so are the sayings.

You're basically just coloring words. Not really much to the pictures.. Very disappointed.

Good quality and teen enjoyed the coloring and swear words. Kept it interesting

Best adult coloring book! Ever! Bought this as a birthday gift for a friend, and she loved it! Great quality and hysterical pages!

love to color...loves this book...shared with a friend on coloring night

Classic!! They are great!!!! brings a smile to your face while coloring.. very therapeutic!
