Randy Alcorn is a leading Christian apologist and the founder and director of Eternal Perspective Ministries. He is the New York Times best-selling author of numerous books, including If God Is Good, Heaven, and The Treasure Principle. His novels include Edge of Eternity, Deadline, and the award-winning Safely Home. Randy and his wife, Nanci, live in Oregon. They have two married daughters, Karina and Angela, and five grandsons.

We do lots of bible studies with our small group. I really wanted to like this one. I heard good things about it, read good reviews, and then I read it and was disappointed. We also viewed the videos that accompany the lesson. They are very outdated and the information is dry. I almost nodded off. The questions were incredibly basic and there was not much depth. It didn't leave much to be

discussed. The best discussion questions are those that do not have simple answers. Most of the questions in this guide had simple answers. In my opinion, this study guide would be good for an individual who wants to do some personal reflections and grow in knowledge of biblical financial management. It would be great for beginners. It does not work well as a group study. I would recommend the Blessed Life by Robert Morris for a better overall financial study for a group.

Ordered this for a small group bible study. My thinking, as well as the other three members in the group, and his doctrine just did not align. Plus it was redundant.

this companion study guide was perfect with or without the book. Our Bible study group really enjoy the way the books built up to a new way of thinking about who we are in God's eyes and what we should do with the funds and time we are given.

It is short and OK but could have been even shorter with the amount of useful information provided. Some of the editing for factual accuracy was poor and made this uneasy topic on money even less enjoyable.

Clean and helpful

Great book to empower the biblical principles of giving

This is a really good book. It really makes you think about your money differently

An awesome resources for new and mature Christians. Scripturally sound advice on how to treat your money and possessions.
