Beautiful colors and just what I wanted. This is a great package of maps!

Good map.

I found this map very accurate and every small street and bridge was pictured. Used it for five days in Venice and never got lost. I only docked it one star because the paper is quite thick and plasticized, which makes it very difficult to refold and impossible to write on. However, on the plus side, of course its waterproof if you happen to get caught in the rain (or drop it in the canal!) Will definitely use it again when I return to Venice.
