All The Pope's Saints: The Jesuits Who Shaped Pope Francis

Synopsis

If knowing someone's family helps us to know that person, then we must understand Francis as a son of St. Ignatius to appreciate the sources of his spiritual fire, and we must look at how the Jesuit saints lived to fully grasp how Francis strives to live. From the introduction What makes Pope Francis tick? Where do his (sometimes unexpected) ideas come from? Why does he often rattle people with what he says? What makes him so different from other popes before him? And why should we care? All the Pope's Saints can help us to discover and develop six virtues of Jesuit spirituality: secrets to a new, refreshed, and even unpredictable relationship with God. This isn't just a book about Pope Francis spiritual inspiration. As the first Jesuit pope in history, Francis has brought a radical shift in focus that stems directly from a long line of Jesuits dating back to St. Ignatius of Loyola. In All the Pope's Saints, you'll get to know many Jesuit saints both famous and not who are the Holy Father's heroes and role models. "Offers some unique insights into the mind and heart of this Jesuit Bishop of Rome and introduces us to some of the pope's best friends." -Fr. Thomas Rosica, C.S.B., English-language media attaché of the Holy See Press Office and CEO of Salt and Light Catholic Media Foundation

ABOUT THE AUTHOR Sean Salai, S.J., is a Jesuit and contributing writer at America magazine. He holds an M.Div from Santa Clara University, an M.A. in Applied Philosophy from Loyola University Chicago, and a B.A. in History from Wabash College. Before entering the Society of Jesus in 2005, he worked as a newspaper reporter.

Customer Reviews

"Inviting, accessible, thoughtful, provocative, and inspiring, Sean Salai's new book is a fine compendium of the lives of the Jesuit saints who shaped Pope Francis, and millions of others, in the almost five centuries since the founding of the Society of Jesus."-- Fr. James Martin, S.J., author of *My Life with the Saints*"The wisdom of St. Ignatius and the witness of his most faithful followers are treasures that have inspired Catholics for centuries. In this fresh and timely new look at the heritage that shaped Pope Francis, Sean Salai introduces us to six Ignatian virtues that transformed the lives of the Jesuit saints -- and have the power to do the same for us today."-- Colleen Carroll Campbell, author of *My Sisters the Saints: A Spiritual Memoir* and *The New Faithful: Why Young Adults Are Embracing Christian Orthodoxy*"This book offers fresh, new insight into one of the most intriguing public figures of our time. By giving us intimate looks into the lives of the men and women whom Pope Francis admires most, we walk away with a deeper understanding of Pope Francis himself."-- Jennifer Fulwiler, Catholic radio host and writer"*All the Pope's Saints* is a welcome addition to books about the first Jesuit pope. By reflecting on different virtues and how they are embodied in Jesuit saints and others who knew them, Salai helps us appreciate the spirituality in which they and Pope Francis were formed."-- Fr. James Kubicki, S.J., national director of the Apostleship of Prayer"There is no question that Pope Francis loves the saints and admires especially his fellow Jesuits who have been proclaimed saints throughout the ages. They are his guides and mentors who have inspired him along his own journey. I highly recommend Sean Salai's book that offers some unique insights into the mind and heart of this Jesuit Bishop of Rome and introduces us to some of the pope's best friends."-- Fr. Thomas Rosica, C.S.B., English-language media attaché of the Holy See Press Office and CEO of Salt and Light Catholic Media Foundation"What does Pope Francis think? How does he pray? What is the spirituality that formed him? Good questions all, but now that we find ourselves living in the era of 'fake news,' we dare not trust the online sources to answer these questions. That's why this book is so valuable. *All the Pope's Saints* gives us an insight into the mind, the heart, the prayer, and the spirituality of our beloved pope so that we can be better disciples of Christ ourselves."-- Bishop David Konderla, Diocese of Tulsa"My favorite order in the priesthood is the Jesuits. They are a dedicated group who truly represent what the Church is about, and as a writer I can appreciate Salai's work and dedication. It's clear he represents the best of the Jesuits."-- William Riead, writer-producer-director of *The Letters: The Untold Story of Mother Teresa*

Awesome book

Excellent book, well written and thought provoking. Thank you for a wonderful book.

The Jesuit path, which inspires those who know Jesuits or read about them.
