Customer Reviews

A unique resource for both parents and teachers, God Makes Me His Child In Baptism helps explain the concept of infant baptism to preschoolers. Through its simple language and coloring-book format, this useful book captures children's attention while teaching them that through their own baptism they become a part of God's special family.

This is by far the best book on baptism I have found (for those of us who baptize infants). It explains baptism in a very clear and simple way. I bought this for my 3yo daughter, and it didn't keep her attention, but it was worth it for the first pages and the conversation that ensued.

A perfect way to show and explain Baptism to children of all ages.

Such a great and unique gift, especially to share the story with the child's siblings! Gave these to my grandchildren and they arrived in perfect condition and in a very timely manner.

The pictures are great! The detail of the truth is awesome! I am so excited to give this book to my Godchild on his Baptism day!

I came across this book a few years ago when looking for something to give the older brother of my goddaughter on the day of her Baptism. He loved it! The book does a great job of explaining the meaning of Baptism as well as some of its on-going implications. It is also very nicely illustrated. Since then, I have given this book to a number of children when a younger sibling was baptized, and in every case it has been well-received. Highly recommended!

I use this book to explain to children and through them to adults about what baptism is. It has good theology. Unfortunately it's a bit US Lutheran specific but apart from that it's a great resource and the kids enjoy it. (So do the adults.)
