'A Genuine Kitchen Legend' •Time Out --This text refers to an out of print or unavailable edition of this title.

Mary Berry, the much-loved judge on *The Great British Bake Off*, is the author of more than 70 cookbooks with total sales of over 5 million. Mary is loved for her practical and unfussy approach to cooking. She gives many demonstrations around the country, but when she is at home, she loves to be with her family and tending her garden - her other great passion.

My first non baking book by Mary Berry. Recipes are easy to follow and do not require many ingredients. The meals really are the kind I like to do on Sunday (when my girlfriend and I take a pause from the weeks activities and sit down to a nice meal with wine on china plates just for two). This book is for preparing home meals, not replicating the dining experience at Les Halles. There are plenty of books for that. This won't challenge an experienced cook but it does provide good recipes that bring me back to childhood weekends when the smells from the kitchen would make me feel good. Mary is not only the queen of baking (though she is that)!

Love this woman! It's like going to your English grandmother's house for lunch!

One of my favourites

Great Birthday gift for my mom.

I've made quite a number of dishes from this cookbook, from the appetizers, to a roast, to the cold buffet items. I like that many of the recipes utilize minimal ingredients, but effective in taste for the entire family. They are very British dishes, but not 'pub' dishes, which most people equate with British cooking. They are nice and light and fantastic to make for Sunday or even Saturday night!

Mary is such a wonderful chef. Her recipes are clear cut and easy. But ingredients are stated in metric system.

Great book with tons of suggestions - takes me right back to my days growing up in Yorkshire and the school recipes and grandparent recipes I learnt as a child. Nice to have them all so elegantly written up and illustrated. Look forward to passing them on to my children and grandchildren.
