i purchased my book from Bob's Bestbooks on recently and I was pleasantly surprised that the book arrived much earlier than they said it would arrive and I found the book to be as the seller said, The book is like new and I really had value for my money, the book covered the topics in Food

Science that I really wanted well. I appreciate prompt mailing of my purchase especially from Bob's Bestbooks.I wish that would create a space in their feedback for the sellers that ship their goods that arrive earlier than the date stated so when giving a feedback we can indicate that the goods arrived earlier than schedule instead of the feedback date stating if the goods arrived on the date they expect it to arrive,I want to thank Bob for the prompt shipping of his book, I really appreciate the effort made.I will definitely purchase more books from you in future and I recommend your store to anyone in need of good and affordable textbookThank you
