Good characters. Well thought out! Enjoyed all of the books. Wish there were more! Read and enjoy!! You will love it

The first three were very well done as far as plot development went. This chapter moved too fast resulting in a few plot holes.

I really enjoyed all of the Red Harlequin books. I am looking forward to the last book of the series.

Good series like that it's an easy read .you can almost imagine the territories and how each one looks and lives

kept me on my toes. Did not want it to end. Want to know what has happened to the Red Chrome and his love.

This is not my usual choice of reading - loved it and the entire series.
