Grammar Sense 4 Student Book With Online Practice Access Code Card (Advanced Grammar And Writing)

Synopsis

Grammar Sense is a four-level discourse-based grammar series which focuses on the connection between form, meaning, and use of English structures. The series is based on the fundamental premise that English grammar is learnable and teachable if it is systematically organized and explained. Grammar Sense implements linguistic and applied linguistic research on how, where, when, and why native speakers use English structures, and how non-native speakers learn them. This series provides learners with a true understanding of how grammar is used in authentic contexts. Grammar is presented in discourse rather than in isolated sentences which allows the students to understand English grammar in real life situations.

Perfect and good price

very good

New book. Shipping is so fast. Good.

I already use a lot of different books in English grammar but this one is amazing! The context is explained in very clear way and has a good examples.

Although marks this book as "used-very good", this book is really new! Plus, the price is cheap enough for students.

Nice book

Great !

Boring book
