High School TalkSheets--Updated!

Synopsis

TalkSheets have been working for youth group leaders for more than a decade. Now they are radically updated and ready to stimulate high schoolers toward in-depth discussions on real issues--everything from drinking to social justice.

Customer Reviews

â œThis resource is a must-have for every youth workerâ | One of the best features is the ability to edit the Talksheets, enabling the users to delete a question they donâ t want or add something specific to their group. The program is very user-friendly, so even those who are computer illiterate should find it easy to use. Itâ s well worth the cost, a resource youâ ll find yourself coming back to week after week.â • (YouthWorker Journal)

TalkSheets have been working for youth group leaders for more than a decade. Now they are radically updated and ready to stimulate high schoolers toward in-depth discussions on real issues--everything from drinking to social justice.

I found this resource from another teacher. After looking around I came back to the talk sheets because they are low prep. and flexible. Both of my co-teachers have commented about how well these talk sheets work with our high school youth for Sunday school.

Good stuff just made the mistake of buying it digitally and can't print from it. Make sure and buy the actual book!

Great topics but a little old for the youth group I have now. Going to use the middle school ones

We use these for our youth group bible camp every summer. Our kids love em! Easy to use and easy to understand with great insights, games and more.

I had an older version and the new updates are easy to follow and great topics for today's teens

So far this is working great for our boys high school small group. I cut what doesn't seem to work, or sounds corny. It gives me a great base to start from

It was great for children to encourage them to share their feelings with adults and their peers as well.

All inclusive! Leader guide and student pages make prep and presentation simple and easy. These are real topics that are real issues among young people today.
