Roger Priddy left school at 16 with just one qualification in art. He went to Berkshire College of Art and Design and trained as an illustrator. His first job in children's books was working with the publisher Peter Usborne, at Usborne Publishing, and then he worked with Peter Kindersley at Dorling Kindersley, where he spent 16 years. Priddy became Creative Director of DK's Children's Division and was Managing Director of the children's mass market publisher Funfax when it was acquired by DK. In 2000, he created Priddy Books with John Sargent at St Martin's Press to create innovative and imaginative titles for children, from first books for babies through early reference titles for older children. Since then, over 30 million copies of Roger's 200 plus books have sold worldwide, with five of his books - My Big Animal, My Big Truck, Happy Baby Words, Happy Baby Colors and Puppy and Friends - each selling over one million copies. He is also the author of Big Board First 100 Words; Big Board Books Colors, ABC, Numbers; and Bright Baby Noisy Monsters. His creativity has been recognized with numerous industry awards. Priddy lives in London with his

wife Zena and their four children.

I love this little book for the \$3 or so dollars I spent on it. My daughter loves to feel the veins in the leaf and the faux squirrel hair. It's the perfect size for my 15 month old to tote around. You get what you pay for. It is a small, simple little board book with a few textures to feel.

Great little book made of hard cardboard pages, in a size perfect for little fingers. Has shiny, raised and textured (fur) elements. Perfect first book for baby. Has all the basic words associated with Fall. This is part of a series, including Spring, Summer and Winter, as well as Easter and Christmas. The Halloween book is called Spooky. I highly recommend this book, your baby will love it. The touch-and-feel elements are a great addition to the season theme.

Love the book but it came a little damaged. Front cover has a leaf, with bent cardboard.

Neat touch and feel. My baby loved it.

Not the best touchy feely books out there. They are simply okay. We have several other touchy feely books that are of better quality. Not every page has something to touch, some are just normal pages with pictures. And some of the pictures seem a little outdated. Wouldn't recommend these.

Simple book but cute. I bought it for a set of 1 year old twins & they REALLY enjoy touching the pictures. The wordage is simple, one word per page, but at that age, its fine. Texture is what I was after with this purchase and its a great book for that! Would recommend!

These are terrible 'Touch and Feel' books, I have other ones for my daughter where each page has a new texture or material to be discovered. Most of the pages in these books are just pictures with no 'touch and feel' aspect to them. I would not recommend these.

This is a delightful little book. I've had great fun showing my 16 month old granddaughter the "feel" of all the items in this book. She has picked it up so many times on her own to enjoy it herself also.
