"From best-selling coloring book author Aye Jay "I'm No Graffiti Artist" Morano, [this book] offers hours of simple amusement for artists, hipsters, and graffiti art fans of all ages." -- Juxtapoz

: Aye Jay Morano is the author and illustrator of The Gangsta Rap Coloring Book, The Heavy Metal Fun Time Activity Book, The Punk Rock Fun Time Activity Book, and The Country Music Fun Time Activity Book. He co-authored 'The Rest is Up to You' with his eight-year-old son Cohen.

The art is dope. The quality of the book is not. Purchased this a while ago with the intent of using markers but pages are so thin, the ink will likely bleed through. We shall see.

I gave this as a gift to my grandson who loved it! It is all about coloring the graffiti, not how to make it! That is exactly what his parents wanted! I couldn't find anything like this anywhere in my area so

was very glad to see it on .

Do not like this very well. Hard to read and no coloring guidelines on the insides of the covers. Generally disappointed. Was looking for something off beat and took the chance. Will probably give it to my brother.

Great coloring!

The photo and description made this seem like a higher quality colouring book. It looks home printed with a fancy cover and the images are not very involved. Still, it's unique.

I am not impressed with this book. The graphics are small and chunky so there is not a lot of room to add color. The book is really short.

Not very many good pages but I love graffiti

I purchased this for my 11 year old grandson & he loved it. I would definitely recommend this for that age group.
