Guide To The Caminho Português (Part One From Lisbon To Porto)

Synopsis

Such was the popularity of the Camino to Santiago in medieval times that a complex network of pilgrim routes through Portugal developed. Not all have survived the passage of time, although there is talk of reviving one or two of them as the Camino grows in increasing popularity. Nowadays there are a number of waymarked routes from Portugal to Santiago. The main ones are the Lisbon - Porto - Santiago and the Porto - Santiago routes. This guide provides information for the Lisbon to Porto section of these routes.
