The Stormrider Surf Guide - Portugal (The Stormrider Surf Guides)

Synopsis

Portugal has always been a little bit different. Steeped in seafaring traditions, it has historically been the stepping stone for epic exploration. Following these legendary voyagers, the local surfing population has long been discovering new watery gold along the entire Portuguese coast. It's wealth lies in the variety, power and consistency of cool-water waves that strike the gnarled, rocky reefs and explosive sandbanks. Considering the year-round reliability, quality of the set-ups and sun that just won't quit, it's little wonder that for many surf travellers, Portugal leaves the fondest of European memories. The Stormrider Surf Guide Kindle ebooks are just part of the worlds best selling and most respected collection of surfing guide books. The Stormrider Surf Guides come in just about every format possible including paper, Itunes App and now the Kindle edition ebooks. They are the only comprehensive colour guides to the coastlines of Europe, North America, Central American and the Caribbean, Indonesia and the Indian Ocean, South America, Africa, East Asia, The Pacific and Australia. The authoritative text includes oceanographic, environmental and cultural notes on the entire coastlines. Each guide contains numerous full colour maps and superb photos of the best waves, shot by the best photographers. All information is compiled with the help of local riders whose sensitive approach enables an accurate and knowledgeable appraisal. An essential tool for surfers searching for their perfect wave.
