Pressure Cooker: 365 Days Of Electric Pressure Cooker Recipes (Pressure Cooker, Pressure Cooker Recipes, Pressure Cooker Cookbook, Electric Pressure Cooker ... Instant Pot Pressure Cooker Cookbook)

Synopsis

365 Days of Electric Pressure Cooker Recipes! Today's Special Deals Over Hundreds of Mouth Watering Electric Pressure Cooker Recipes with Easy-to-Follow Directions! Pressure cooking is a cooking technique that has been around for decades and it's gaining more and more terrain with modern cooks nowadays. And why wouldn't it? It's easy and quick and just as safe as any other type of cooking. In addition to this, it's versatile and you can cook any ingredients you can think of, from the cheapest cuts of meat to the more expensive one. Are you familiar with time shortage? Do you want recipes that can be done within minutes, but still taste great and offer a pleasant tasting experience? You've come to the right place! This book contains a wide range of recipes, covering any main ingredient you can think of, from the common chicken to the delicious lamb, from vegetables to fish and seafood. They are all easy to source ingredients and simple to cook, their flavors are unique and yet balanced and the recipes themselves use just enough spices to turn a common recipe into an amazing one! The book is a complete guide to pressure cooking, including breakfast recipes, main dishes and desserts, plus a complete chapter on nourishing soups. A colorful blend of flavors, aromas and texture turn this book into a must have for anyone owning a pressure cooker out there. So wait no more, buy this book today and start cooking!

Customer Reviews

I'm blown away by this comprehensive guide to pressure cooking. It sports a diverse selection of recipes from Thai favorites to Italian classics. The recipes are well written and easy to follow. After each recipe, the author provides nutritional information (which useful for keeping track of calories and the like). The recipes are delicious and are all easy to put together. My favorite section so far is the soup one. The "Curried Cauliflower Soup" is a real winner! I love French recipes like those from Julia Child, however they can be technical and difficult. I find the recipes in this book for "French Onion Soup" and "Coq au Vin" to be much simpler, but with just as much flavor! I highly recommend this cookbook. Pressure cooking magic!

Very helpful, great ideas, many outside the box. Pressure cooking is sooo underrated! Everyone should have one, nothing is easier.

My husband bought me a pressure cooker for me for our first anniversary last September (at my request). I wasn't sure about how to use it, so I've only since used it to steam broccoli a couple times. I felt bad that the nice gift was going to waste and taking up counter space, so this book was a very welcome addition to my Kindle library. I've been a slow cooker aficionado for the last couple years, but there have been many times I wanted to speed up the process without having to stand over a hot stove (worst thing about cooking, IMO). Pressure cooker to the rescue!! I liked the introduction with a little history of the pressure cooker, and I learned that pressure cooked foods can be healthier too. The book is well organized and the recipes look delicious. I tried the Indian Butter Chicken recipe, and even my husband, who runs in an Indian restaurant, approved. It was great. I like how the total time listed at the top of each recipe is very realistic and gives you some leeway. A lot of recipes underestimate the prep time involved. I highly recommend this cookbook to anyone who wants to cook healthy quickly and easily!

I resort to this daily. I am a new user of the electric pressure cooker and appreciate the abundance of recipes you provide. Thank you for your fine product. Cordially, Bob Harms

Great book and great recipes. Let's you know what you can do with a great pressure cookbook

What a colossal waste of time. All the recipes are written ambiguously, with no directions for Here's a typical recipe: Pressure Cooked Hard Boiled Eggs Time: 15 minutes Servings: 8 Ingredients: 8 eggs, washed 6 cups water Directions: 1. Pour the water in your pressure cooker. 2. Add the eggs and bring the pot to a boil then lower the pressure and cook for 6 minutes for hard-boiled eggs. 3. Release the pressure and transfer the eggs in cold water to stop the cooking process. 4. Serve the eggs fresh. What is the point of having a pressure cooker if it takes as long as stovetop, and does she not know that you can steam them in way less time than boiling, (with the diced potatoes, if you want potato salad) in 5 minutes with only a cup of water in the bottom of the pot. Nearly every recipe has really bad time estimates. I keep it only for a few recipes for the combination of ingredients, but once I adjust them to the correct directions, this is going bye-bye. Save your money for a good cookbook with pictures, good directions, and some actual measurements.

Got a Pressure cooker? Not sure what to cook in it? This book has you covered. From breakfast to dessert, there are so many recipes that I want to try that I don't know where to start. To be honest, I didn't even know that I could make dessert in a Pressure cooker. Anyway, regardless of what you want to prepare, this book has a recipe for you. I've decided that the coconut milk bread pudding and pesto salmon are must try recipes. Get this book if you want to make the most of your Pressure cooker!

Great book! Tons of recipes! Easy to follow and easy budget friendly ingredients!
