Age Range: 2 - 5 years

Grade Level: Preschool - 1

Customer Reviews

My son is all about hockey, and has been since he was old enough to voice an opinion on the subject. I bought this for him for a little surprise, and he loves it. He's nearly four, and he pretends to read it to himself - he's almost memorized the text. The text is in riddle format, which is better for older children, so it surprised me that this was a board book. Not that I'm complaining! He's a boy and very rough-and-tumble, so in our case, it's a huge plus. If you like this book, also check out Hockey Animals, Hockey Colors, Hockey ABC, Hockey Shapes, and Hockey Numbers. They are great for little ones that love hockey!

This is a very nice little book that my almost born grandson will love. His mommy and daddy love hockey!

This is an adorable toddler book! Filled with riddles to get your little one thinking about hockey!!

As hockey fans, I definitely wanted to get my son a hockey book. He enjoys it very much and is always happy to turn the pages while I read it. It is written with UK English, so some of the words are not spelled in the American English forms. That doesn't bother me though. It's just another teaching moment so my son can start learning about other cultures and dialects.

Great little hockey book. Charming pictures. Easy to read. Perfect for the hockey loving family to share with their little ones. Nice quality.

My husband and son (18 mo) read this each night during bedtime routine and they both love it. He's learned all the words in the book already!

My little guy is a fanatic hockey fan already, so for his 2nd b-day I got him some hockey board books. We got this one and 3 others, the abc, 123, and colors hockey board books. This one is by far his fav. I think it's because each page has a different full shot of beautifully illustrated hockey elements. We've had it less than a full month and the 4 instead of 5 stars is because it doesn't look like the binding is going to stand up to much more of his 'love'.

Great book for hockey fans to get their little one started on his love of hockey
