Real Communication: An Introduction

my teacher use this book in class. It is nice textbook.

It's fine for a text book, but I probably wouldn't have read it if it had not been required for my class.
Good info, and relevant information, though

love the book

This is for a college course at Cal State Fullerton- book is required.

Nice

I received this book rather quickly being that I ordered it late and it was everything i needed for my class. Thank you!

Ordered book and it arrived in 2 days. Very good condition. Would recommend this book rental. Packed with great information I needed for my class.

Good content, but chapters are somewhat long.
