## Customer Reviews

If you want an e-book that has a detailed outlook of crystal therapy, then read this one. It gives all the information you need to know about crystal healing. This is a complete guide for everyone who desires to gain a better understanding on this type of therapy.

You can read the book in 30 min. Is a brief and basic introduction to Crystals and their use and care.

Thanks for this book! Loved it and read in just a few hours and taking lots of notes. It is very easy to read and straight forward.

this is a good book to easily understand and have deeper understanding on crystal healing. It explains the science behind this that will make you appreciate this method of healing even more. Well explained and presented by the author. It also provides step by step instruction in performing this yourself as well as how to choose a crystal that will be suitable for you! gotta give 5 stars for this! I enjoyed reading about it!

There are lots of things that can help emotional and spiritual wounds, one of that is with the help of crystals. Reading a book like this helps me to soothe things and practice my mind that it could greatly help me and release anxiety and stress energies within my body. There are lots of things that cannot be explained nor have a definite reason to but one thing matter is that it works and it greatly helps.

Before getting this book I don't have such kind of ideas that how much Crystal benefit for our body and mind, I purchased this book from curiosity but I didn't know that I get those helpful information really a helpful book, after read this book now I decide to Healing some Crystal for me I hope those should be helpful for myself. Overall this book is very informative.

In a world full of crisis, fear, anxiety and all manner disasters we need a sure means of safeguarding our total well being - spirit, soul and body. When the mind is weak and sick, the body is adversely affected. Hence, this book is a must have for everyone battling with any kind of health related issues that defies medical attention.

Informative
