(12x13) Antique Maps 12-Month 2013 Wall Calendar

I ordered this calendar because I liked the uniqueness of it. I failed to realize that it will not fit my holder, but I liked so much that I have found a work around. It is a really nice calendar, well made with sturdy material, and different from anything I could find in stores locally. I will enjoy it for the year.

Lovely pictures, just wish they filled the entire page without the white border. Nice, clear details and large squares for dates to write things on.
