My grand daughter loves this series of books.

This is a sweet book. My daughter is going to be a big sister in a few months. I got this for her as a gift. She love it. Although she loves all of the Biscuit books.

Hands down the best book I've ever read

Our 8 year old daughter reads this over and over as we are preparing for our first granddaughter to arrive (her niece!!!!) . Such a sweet book.

This is ok... kind of boring for my 3.5yo... it's cute but doesn't really do a good job of preparing sibling for a new baby...

I like these biscuit books they are good kids books for your a family member to read to you

It's a five star book for my 8yr old son who Loves to read all about Biscuit and his adventures.

My great niece was just born. My great nephew loves books. When he was born I started a Biscuit collection for him as I had done with my own child. Wonderful books!!
