Thich Nhat Hanh: Paintings By Nicholas Kirsten-Honshin 2014 Mini Calendar (7" X 7")

Synopsis

Taoist and Buddhist symbols, and the gentle reflection of nature, meet and merge in Nicholas Kirsten-Honshin's artwork. The Thich Nhat Hanh wall calendar combines Honshin's graceful paintings with the words of Thich Nhat Hanh, renowned Zen master, peace activist, and author of over 60 books. Nicholas Kirsten-Honshin is influenced by the sacred meditational space of the transcendental archetypal symbols of Christianity, Zen and Tibetan Buddhism, as well as the shamanistic practices of the world's perennial philosophies. Thich Nhat Hanh's words have inspired many over the years to embark on a more peaceful and mindful path. Nominated for a Nobel Prize in 1967 by Dr. Martin Luther King, Nhat Hanh's gentle Buddhism teaches that transformation and inspiration are found in mindfulness of the present moment. Amber Lotus's other products featuring the art of Nicholas Kirsten-Honshin include greeting cards, a Thich Nhat Hanh wall calendar, and a Thich Nhat Hanh engagement calendar. Amber Lotus calendars have been illuminating spirit in the world for 25 years.

Thich Nhat Hanh has dedicated his life to the art of mindful living. He teaches that only through living in the present moment can we approach peacefulness in ourselves and in the world. Born in central Vietnam in 1926, Thich Nhat Hanh witnessed the strife of the Vietnam Conflict. Unable to stand by while villages were destroyed, he helped establish engaged Buddhism, a balance between meditation and the social commitment to helping refugees of the conflict. He has since founded the School of Youth Social Service in Saigon, a Buddhist university, a publishing house and a peace

activism magazine. Thich Nhat Hanh has written more than 85 poems and prose pieces as well as numerous books. His writing is calming and inspiring a true reflection of his life's mission. He lives in Plum Village in France, a Buddhist community in exile that he founded in 1982, where he continues to write, garden and lead retreats.

This is the second year I've purchased this calendar. Its small size allows me to put it on the upper door of my fridge. The images are lovely and each month includes a calming, inspirational quote from Thich Nhat Hanh's work. The calendar itself notes holidays from several of the world's major religions, not only the Jewish and Christian holidays. It also includes phases of the moon. There is plenty of space to write a few items in any particular date box.

I buy this calendar every year I can find it. I also get the Brush Dance version. Read at least half a dozen of Thich Nhat Hanh's books. His simple message is inspiring and is captured in the calendar sayings. The artwork is lovely.

This calendar is the right size for my space and has lovely words within. Unfortunately, the coloring is a bit dull and the writing is light therefore, challenging to read so I can only rate it with 3 stars.

These are beautiful and mindful quotations from Thich Nhat Hanh with lovely art by Nicholas Kirsten-Honshin. I purchase these every year. A mini-calendar small enough to keep by your bedside.

Beautiful quotes from a Buddhist master accompanied by beautiful images. I love the small size of this calendar, too, it's more versatile than a large, standard calendar.

Wonderful mini calendars to hang on your wall by your desk. Inspiring quotations and beautiful images. I also give one to my supervisor every year. She loves these calendars.

Love the art work of Honshin and Thich Nhat Hanh's sayings are always wonderful. This little calendar is a handy size and I am very pleased with it.

The calendar is what I was expecting but I didn't realize when I bought that it was for hanging, I thought it could be placed on my desk.
