85 Cartoons

The New YorkerÂ began publishing in 1925.

nice cartoon book

Great gift for a person just out of law school.

Its funny, and nice gift for law graduates!

I didn't realize how small this is. I guess I should have looked. It fits in the palm of my hand. It has one cartoon on each page. I wouldn't have gotten it had I realized what it was. But it was a fun gift for my favorite law student.

Fun gift for someone graduating from law school

I ordered this Book of Lawyer cartoons for a gift, and was so disappointed that it was TINY, it fits in the palm of my hand. Now my gift looks like a joke. It should mention in the title "Mini Version". I've since noticed that other commenters had this same problem. As far as the content, I wonder if it has a lot less cartoons than the full size version somebody else mentioned.

This "little" book is just 4 inches by 4-1/2 inches in size. Sorry I didn't see that before ordering. Was giving as a fun gift, but too small to bother wrapping, I will just drop it in a Christmas stocking. Tiny text is hard to see and makes it hard to appreciate the jokes. Not much of a gift.

Helps kill some time, but I was expecting a little more punch on the humor.
