## Customer Reviews

The Top 10 travel guides are my favorites for when we travel, which is a lot. The books contain all the essentials in a concise format and the books are small enough to fit in a purse or coat pocket. The maps are excellent, particularly the small removable map in the back pocket.

This guide took me back to my old stomping grounds before boarding the plane that took me there. Pictures show it all!

I was looking for a book on Lake Como and surrounding towns so I purchased this book, but unfortunately it had very little information on Como, and certainly nothing beyond what a couple

pages of print-outs from Google would offer me. I can't speak for the Milan section, but then again there are so many alternatives for books on Milan as well. I don't recommend this book.

Absolutely love this series books. Very helpful travel guards.

Love the Top 10 Books. I give them to all my clients.
