" Veronica Green has brilliantly opened a door for discussion between vegan parent and child. In her story, Veggie Vero & the Sandwich Imposter, the piglets of KalesVille seek Veggie Vero's help to track down the source of a spooky ham sandwich. In the town of KalesVille, saving the animals means educating others on cruelty-free living. According to Green, each upcoming Veggie Vero story will focus on saving a different farm animal. Viewed by some as controversial, many parents find this to be a refreshing approach to vegan parenting which addresses the fact that children will eventually encounter non-vegan peers. It prepares them for the non-vegan foods they will encounter and provides an understanding of where that food comes from. Veggie Vero emphasizes the notion that 'all change begins with knowledge'. This teaches children to be superheroes in their own right by lighting the path of compassionate living for others to follow. Watch out for Veggie Vero! The

I'm a Florida based writer making my mark in the world through kid-friendly vegan literature. I have always been a writer at heart, with a true passion for creative fiction. Combined with a love for animals, my desire to motivate new generations of Eco-conscious humans has manifested into the Veggie Vero children's book series.

Love It!!!! The kiddos are very excited to have their very own Vegan Super Hero". Can't wait until the next book to come out. Thanks Veronica Green for creating such an awesome character!!

This book greatly written and illustrated. Its about kids who save everyone from evil ham! I did have a hard time accepting the demonization of ham because so many people we know eat meat, but my lods loved the super hero co cept. They also liked the recepie in the back!

Terrific book! I highly recommend it. Great for all ages. Provides insight & thought provoking for making informed decisions. Looking forward to sequels.

Very innovative and fun way to reach young kids about vegan life. Loved the veggiemobile!

Fun and educational reading. I look forward to future book adventures on Veggie Vero.
