Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

The music is very simplistically written even for children. But this helps to allow for self expression once my kid has the hang of the music.

The girls got right into the book...seemed to be easy for them to follow...glad they knew what there were doing...

Very easy for a young child to read and comprehend ! Full of fun songs for kids to learn to play.

Fast shipping, item as promised. Very nice, John 14:6
