Music!: It's Role & Importance In Our Lives Student Edition

Synopsis

The philosophy of the second edition of Music! Its Role and Importance in Our Lives is a sociological approach to the study of music. It contains history but is not a historical approach. There are nine units, with a total of 27 chapters. It is activity-based with over 450 activities. This edition fully incorporates the National Standards for Arts Education. More media and technology are added to create dynamic links with the other performing arts, and to create a variety of ways to promote composition, arrangement, and understanding of music.

Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

This is similar to another edition I purchased but each book has additional information in it. I liked how the chapters are grouped. That is very helpful.

my family need to change a new one , good . Great product! Cuts vegetables like butter. just fine, recommend it to my friend.
