Fundamentals Of Pre-Trial Litigation, 4th Edition

Synopsis

This Sixth Edition includes the latest developments in pretrial practice while retaining the best selling features of previous editions. Law professors and students who use this book praise its comprehensive coverage, thorough analysis of rules and procedures, balanced presentation of theories and skills, enjoyable writing style, and helpful questions and problems. This new edition enhances those features. This book reflects 21st century practice with the growing use of electronic discovery exchange and court orders, the expanded use of pre-hearing discovery and motions in arbitrations and administrative hearings, and new procedural rule and case law developments across the spectrum of pretrial practice. New case problems are also included to reflect these changes. --This text refers to an out of print or unavailable edition of this title.

Book Information

Hardcover: 782 pages

Publisher: West Group; 4th edition (December 1999)

Language: English

ISBN-10: 031423943X

ISBN-13: 978-0314239433

Product Dimensions: 1.2 x 7.2 x 9.8 inches

Shipping Weight: 2.6 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Customer Reviews

This is a must-have for anyone new to litigation. It is laid out in a useful way and doesn't mince words, but throws in some humor to keep a dry subject light.
