During her nine years as an editor for Disney Publishing, Jessica Ward edited coffee table books on classic Disney animation and modern live-action. She also worked on several books for the Disney Parks including the Birnbaum official travel guides, and several cookbooks including the Delicious Disney series. Her writing credits for Disney include Duffy, The Disney Bear, two Minnie and Daisy B.F.F. chapter books, and G-Force: The Dossier. As a freelancer, Jessie has written The Ultimate Disney Party Book and the companion book for the Frozen Paint-by-Number Kit. Jessica lives in Connecticut.

Very disappointed, received in a timely manner, yet numbers 3 and 8 were dried out so I could not use the set and had to return it..

I'm really liking this fun set. It is a complete set with everything you need included, along with 5 heavy-posterboard-backed canvases for stills from Alice in Wonderland, Jungle Book, Lady and the Tramp, Snow White and Pinocchio. The key upgrade for coloring-book fans is that some color mixing is required although amounts of each color to mix into the proper tint is included. The mixing guide is simple and easy to follow, and a great way to learn how to make your own paint colors, for this or future projects. They also have a storybook is included which retells the stories from the classic films, highlighting each painted moment. Since each image was animated (i.e., painted) to begin with, with straightforward instructions helping along the way, I've been able to get a pretty accurate version of each film's scene.
