# El Pequeno Larousse Ilustrado 2013 (Spanish Edition)

## Synopsis

This revised edition of the bestseller is a comprehensive Spanish-language dictionary and encyclopedia in one. With updated entries reflecting current events, the latest edition of this full-featured reference includes 90,000 entries with 200,000 definitions. More than 5,000 full-color photographs, maps, tables, and drawings enhance the entries and make browsing a pleasure. The encyclopedia section covers a wide range of subjects, including the arts, architecture, nature, sports, history, science, and technology, all in a clear, easy-to-use format. This is the one reference that every Spanish speaker and student of the Spanish language should have on his or her bookshelf.

## Customer Reviews

The Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native-language speakers of these countries.

I am a native Spanish speaker with a background in higher education. I have always relied on "El Pequeño Larousse Ilustrado." I regret having given away my 2008 edition: it had a nicely illustrated section devoted to information technology. I happen to work in technology and find that my Spanish IT lingo is rather limited. I try to get the latest version of the Pequeño Larousse as

often as I can. I consider it to be the go-to book for Spanish-language reference.

I had one of these when I first began learning Spanish in the 70s so I could look up words and read definitions in Spanish. It's the greatest dictionary around with its wonderful color pictures and encyclopedia. HIGHLY RECOMMENDED.

It was everything I was looking for. It fit my needs perfectly and I certainly would recommend it to anyone.

Tengo un buen libro. Muchas Gracias!!!! Am a first year Spanish student and this book was highly recommended by my professor. Chau for now!

It has always been one of the best Spanish dictionaries available. I have used these dictionaries for 20 years now,
