Lonely Planet The Gambia & Senegal (Multi Country Travel Guide)

Synopsis

Lonely Planet's 4th edition of The Gambia & Senegal will take you from the arid desert lands of the north to the lush tropical forests in the south, and from the capital cities of Dakar and Banjul to the more remote Bassari country. Go lion spotting in the Parc National de Niokolo-Koba or hike around the beautifully conserved Abuko Nature Reserve. Lonely Planet guides are written by experts who get to the heart of every destination they visit. This fully updated edition is packed with accurate, practical and honest advice, designed to give you the information you need to make the most of your trip. In This Guide: Dedicated chapters on birdwatching and music Customised itineraries take you up the coast or down the river Unique Green Index highlights the best ecofriendly options

Product Dimensions: 7.7 x 5.1 x 0.6 inches

Shipping Weight: 12 ounces

Average Customer Review: 3.9 out of 5 stars 4 customer reviews

Best Sellers Rank: #550,620 in Books (See Top 100 in Books) #5 in Books > Travel > Africa > Gambia & Senegal #426 in Books > Travel > Africa > General

Customer Reviews

Lonely Planet's "The Gambia & Senegal" is as complete as a guidebook can be. We travel a lot and usually do our planning with information found online. But this is our first trip to West Africa and we found most of the info available was from personal blogs, which are interesting but don't have the wide variety of knowledge we need, or the standard travel booking sites which are useless for anything more than flight and hotel selection. There are some info sites, but these are not well-organized or comprehensive. "The Gambia & Senegal" had the answers to all our basic questions about Senegal, and was written in an easy-going, easy to read manner. Further investigation into particulars shows that some of the content is obsolete, a standard drawback to printed books, but the book does give a good detailed overview of geography, customs, culture, history, the cities, where to stay and eat and what to expect as a visitor. This book provides a good

framework for trip planning. It's also small and light enough for us to carry along.

Shipped in a timely manner. Great information for a great trip!

Good travel guide.

This book is pretty good and comprehensive, but it is a bit outdated now. There were some incorrect parts when I was there for 6 months in 2011.
