Georgia has worked her way up at Bellamy's from busboy to head hostess; she's a workaholic and the dinning room is her domain. At least 3 times a week Max makes his way across the street to eat at Bellamy's and is the recipient of Georgia's professional attention to be seated at a table reserved for him, to have her chose his meal and wine; to be able to be the object of Georgia's attention and to be able to study her at a distance. Max arriving for a meal pushes Georgia to do her best; she hides her attraction to Max with her efficient professionalism and a smile. When Georgia is mugged in the parking garage, Max arrives to save her...with adrenaline high and their attraction laid bare, Max and Georgia become thrill seekers.

Thrill Seeker - Sinful in Seattle Book 1 by Taryn Quinn - 5 Stars

Thrill Seeker is a 19K novella that ends on a cliffhanger, and there are two more parts to come of this story. Holy Smokes Batman!!!!

Max Chapel is the geek of his family Â¢Â“ he is a multi-tasking billionaire who is in charge of the tech division at his familyÂ¢Â™s company. Georgia Barrows loves her job and sheÂ¢Â™s damn good at it. She gets to be so many things to so many people while acting as hostess at a family restaurant that sheÂ¢Â™s been working at since she was a teen. Georgia is one of those people that everyone likes and Max is one of those guys that everyone wants. Max and Georgia are W.O.W. together. This is a fast, hot read and I look forward to the next 2 installments to see how this story continues.

This novella is short, sweet and to the point. And by sweet I mean down and dirty! Taryn Quinn knows how to put hotness on paper! Georgia and Max have an undeniable chemistry and it is clear the moment they lay eyes on each other in the book! It is always dangerous to want what you can't have, but when you let the reigns loose and you live life, it can be a magical passionate thing. There is a cliffhanger at the end and it drives me crazy to think that I will have to wait to see what happens, but nonetheless it is an awesome read! Steaminess at it's best! You won't be able to put it down!

The characters in this new adventure just steam up the pages. The introduction into the lives of Max and Georgia have had me fanning myself (and that's not due to the hot flashes of age). They also speak to us of a failure most of us have. Never put off or shy away from something you want because, you never know what's waiting dor you around the corner when you speak up. These two get that unexpected chance and oh how HOT that chance becomes. I can not wait to read the continuing adventures of Max and Georgia. Taryn Quinn you have done it again!!

Oh wow! This book is seriously good! Georgia and Max know each other because he comes into the restaurant she works in. How they connect is an excellent story. This book ends on a cliffhanger so when it ended I was going. Nooooo! Can't wait for the next book to come out!

This novella shows the darker side of Taryn Quinn. It's a fast read that's hot, sexy, and suspenseful. If you don't like cliffhangers then wait for book 2 to come out lol.

Max and Georgia's is so hot and sexy. I floved it so hard. A new favorite from Taryn Quinn. I can't wait to read more of Max and Georgia's story in book 2.

Max and Georgia story just blew me away very addictive I cant wait to see how the story will go. I voluntarily read an advance copy.
