The Tolkien Treasury

Synopsis

De luxe boxed gift set of Tolkien's most popular and charming stories, full of wit and humour, collected together for the first time on unabridged CD. This boxed set of 8 CDs contains the following 5 unabridged works, all read by Sir Derek Jacobi, and are suitable for both adults and children alike: Letters from Father Christmas comprises a festive unabridged reading of the letters. Interspersed with carols and seasonal music. With John Moffatt and Christian Rodzka in supporting roles as Polar Bear and Ilbereth the Elf, this perennial Christmas classic is filled with humour. Farmer Giles of Ham is one of Tolkien's most popular stories, full of wit and humour, set in the days when giants and dragons walked the earth. Farmer Giles did not look like a hero. He was fat and red-bearded and enjoyed a slow, comfortable life. Then one day a rather deaf and short-sighted giant blundered on to his land! Roverandom is a real dog who is magically transformed into a toy and is forced to seek out the wizard who wronged him in order to be returned to normal. The story was written to console Tolkien's four-year-old son, Michael, who lost a beloved toy dog on the beach. Smith of Wootton Major tells of the preparation of the Great Cake to mark the Feast of Good Children and the magical events which follow. Leaf by Niggle recounts the strange adventures of the painter, Niggle.

Customer Reviews

"Tolkien at his relaxed and ingenious best" The Times "[Roverandom] is an old-fashioned story, yet it still speaks freshly today! would leap to life when read aloud to a child" Independent "[Smith of

Wootton Major] may be compared to the most delicate miniature but it is one of a rare kind: the more closely it is examined the more it reveals the grandeur of its conception. Whoever reads it at eight will still be going back to it at eighty" New Statesman

John Ronald Reuel Tolkien was born on the 3rd January, 1892 at Bloemfontein in the Orange Free State, but at the age of four he and his brother were taken back to England by their mother. After his father's death the family moved to Sarehole, on the south-eastern edge of Birmingham. Tolkien spent a happy childhood in the countryside and his sensibility to the rural landscape can clearly be seen in his writing and his pictures.

My mom loves the works of Tolkien. I got this for her as a Christmas gift and she loved it! Waited to review until she finished it. The quality of the pages is really nice. On top of that there is so much detail put into the covers of each of the individual books. Hands down I'd recommend this to anyone who is looking to expand their book collection with wonderful pieces of literature.

Great set of lesser known Tolkien works. They're also beautiful, and well-made books (though the books are not very big). My experience with the seller was smooth, and the item arrived safely packaged, and in "like new" condition, as expected. I've read excerpts of the books themselves (so far) and the stories are really good--after all, it's Tolkien. If you're a fan or collector, this box set is a beautiful addition to your library.

Fantastic set of little books to add to your Tolkien library. Well presented, nice size, good notes, and lovely illustrations.

Beautiful set

The Tolkien Treasury Audio Collection is a treasury indeed. Well recited by Sir Derek Jacobi, the titles included in this eight disc collection are: Farmer Giles of Ham, Leaf by Niggle, Smith of Wootton Major, Roverandom, and Letters from Father Christmas, which is a most charming reading and sure to be a family listening tradition for Christmases to come. A must have for Tolkien fans and highly recommended for those who enjoy stories read aloud to them.
