The Life And Loves Of A He Devil: A Memoir

Synopsis

'I defy anyone not to snort, howl and recoil' The Sunday Times'Full of wicked asides, tart observations and sharp remarks that could only have originated in Graham Norton's witty brain.'

Terry WoganLooking around the room I saw what life really was. It was made up of my passions. I saw my life reflected back at me. People I liked, people I loved, people I had shared half a century with. All the stories of my life were together in that one room and it made me very happy. Who wouldn't want a friend like Graham Norton? A little bit naughty, full of frank advice, bursting with gossip about the world's biggest stars - but most of all with an emphatic love of life and all its joys, big and small. Join him - glass of wine in hand, faithful doggy friend by your side - and delve in as he shares the loves of his life.

Customer Reviews

A very easy read. In my opinion the best of the three autobiographies Graham Norton has written: "Laid Bare", and "So Me" being the other two. The book is not a laugh a minute, more an honest telling of the writer's life. And it worked! There are of course a few good chuckles in there as well. I really enjoyed this book. Worth a read.

Great read. Love his show and loved the book. The book made me laugh out loud many times and there is something that never happens when I am reading a book. Loved getting to know him better and learn about this life. He seems like a really fun guy.

Enjoyable and lighthearted - Graham talks about his likes and loves over his life. Interesting to hear about his celebrity encounters and his rise to fame. This is not a deep and meaningful autobiography so don't be disappointed if that is what you are looking for. I enjoy Graham's show and will do so even more now that we have some of the back story info.

Gave as a gift and she loved it. Said it's written just the way Graham talks.

I read this over Christmas one year and it made me laugh out loud. The author has a gossipy flowing style that makes this an easy read but there is a share of repetition in places. I can't help but feel it's the stories he did not tell that would really knock you sideways. I hope he writes a tell-all book in 30 years-it will be worth the wait!! If you are expecting the TV personality he is not here, this is the ordinary guy who loves dogs.

Amazing guy. Wish I knew him personally. Loved hearing about his dogs especially. Well written.

I enjoy the Graham Norton Show and his book feels like you're having a glass or five of wine with a quirky, intelligent, witty and fun friend. I enjoyed it a lot - just the right mix of self-revelation, without it getting too heavy but with enough daring stories to keep it interesting.

So very funny and easy to associate with - I now wonder if I'm really an Irish gay man myself!
