In 1850, the town of Coloma, California may be a dream come true for those panning for gold, but will the men in town be as lucky when they search for true love? Find out in Charity Phillips' Brides Of The Coloma Gold Rush series! This collection includes the following four sweet mail order bride romances:

A Mail Order Bride For Daniel: Daniel Bishop is a handsome and kind miner of coal and gold. Though his work is thrilling and he has made a fortune in gold, there is one thing he is desperately missing: a wife with which to share both his life and riches. He has been writing letters to a sweet and feisty young woman named Hannah James, a jewelry store clerk in New York, and she is eager to join him out West. Problems arise when Hannah raises her desire to continue selling jewelry as she had back East. Daniel, out of concern for her safety, initially tries to discourage her due to the fact that the town is known for its history of run-ins with bandits. One day, while Daniel is away working, Hannah attempts to go mining on her own, and due to her lack of experience, she finds herself lost in a deep, dark cave. Will Daniel be able to save his new bride from danger, and if so, how can he ensure her safety while helping her fulfill her lifelong dreams?

A Mail Order Bride For Franklin: Sheriff Franklin McQueen and his son, Geoffrey, work tirelessly to keep the town safe from bandits. A few years prior, Franklin's beloved wife, Gladys, passed away; now, the sheriff longs for a new wife on which to bestow his love and care "and with which he can better run his jail house. After placing an advertisement in the newspaper for a mail order bride, he begins corresponding with a young woman named Miss Louise Winchester. When she arrives, however, she feels overwhelmed and out of her depth while helping in the jail house, and comes to believe that she may not be the right sort of woman for Franklin after all. When she finally begins to feel at ease, it turns out that one of the bandits has it in for her. Can Franklin keep his new bride safe from harm?

A Mail Order Bride For Benjamin: Upon being released from jail on account of his good behavior, Benjamin Pickett is ready to start a new life and set up roots in the town of Coloma. The former bandit has begun to form a friendship with Franklin, the town sheriff, who warns him that although he is reformed in the eyes of the law, that the townsfolk may still be wary of him. With Franklin's help, Benjamin acquires a job at the neighboring lumber mill, and after gaining the trust of his new boss and his fellow workers, he is given a chance to build the home of his dreams. He longs for a wife to share his life with and places an advertisement in the newspaper, and before long, he is sending a ticket for Miss Maybelle Fields to travel from Maryland to join him. Only one problem remains. How can he propose to Maybelle?

until he has confessed the truth about his past?A Mail Order Bride For Thomas: Thomas Cooke, the head supervisor at the lumber mill, watches his coworkers return home every day to their loving wives and begins to desperately long for a wife of his own. There aren't many women living in town who aren't already spoken for, however, so he decides to place an advertisement for a mail order bride. When a charming cook named Violet Pringle arrives, it seems as though they were made for each other, cut from the same piece of dough, as Violet likes to think. Just days after their wedding, while Thomas is away at the mill, a fire breaks out in town. To his dismay, he learns that the flames are in fact coming from his home. Will Violet, the love of his life, be spared? Will the flames devour the home he built with his very hands?

I just wanted to say that all of the story's were so wonderful and written well . I couldn't stop reading and laughing too. I felt like I was there within each story. Thank you. I will tell my friends a must read. B-)) Emae

Daniel had a tough childhood after his parents demise. He shuffled from aunt to aunt and they all acted as though he was a nobody to them and unwanted. He moves on and makes a name for himself and a nice living with his mine in California. He is lonely though and places an advertisement for a mail order bride. A young woman who works in NY in a jewelry store, Hannah, answers the ad. They write for several months and Daniel sends her a ticket to come out. Will she want Daniel just for the gold he is finding or does she really want to be a good wife to him? A very quick read and enjoyable. I liked Daniel and Hannah characters and how Daniel is there for Hannah at every turn and vice versa. The author does a great job with them and the setting. You can picture yourself in the home and in the mines. Franklin is a widower and a sheriff. His 16 year old son is acting deputy sheriff. His mail order bride Charity was ready to leave home. She looked so much like his dead wife it was almost comforting. Charity's challenge was the jail attached to their house but once she got use to it it was noting to help. She enjoyed helping Franklin. It was another great read. Benjamin had a somewhat rough life. He wanted a bride like the sheriff did. He wasn't going to tell the new bride in a letter what all he has done. He wanted to do that in person. When he got out of jail Franklin said he would help him if he ever needed it. Will he help? Maybelle was a great lady but is she as understanding as Benjamin thinks? Or will she go back to Maryland? Thomas is the head of the mill and after seeing his friends Franklin, Daniel and Benjamin getting married. He finally wanted to get a good wife for himself. After waiting a cook by the name of Violet answers his letters. They get a long great and things seem to going well until a fire break out at their home and Thomas realizes it is his home that is on fire. Can he save Violet? I voluntarily reviewed an Advance Reader Copy of this box set

Mrs Phillips' story lines were good, but I felt like I was reading a 9th grade English homework Composition. The stories needed more character and story development written in a first person story line and not a 3rd person looking in a window. Keep writing and read some other authors stories.

What a great set of stories!!!! One of the things I truly love about boxed sets is that I don't have to wait to get to the next story. Reading about the adventures of Daniel, Franklin, Benjamin and Thomas and the women they chose was wonderful. Another thing I like about series like this is that in each story you also get to find out about the people in the previous stories. You are given glimpses at what is happening in their lives as well as what changes are happening in the town. Charity Phillips has allowed us to be part of the lives of yet another community and the people

who make it what it is. If I had to choose a favorite from these four stories, it would be the story of Benjamin. He is a young man who started to go down the wrong path in life and was given a second chance after serving time in jail. He must not only learn to forgive himself, but must earn the trust of the townsfolk and the woman he loves to find his place again. I received this ARC for review consideration. All opinions stated are my own.

Four Friends in a gold rush town in California, a miner, the sheriff, a reformed bandit and the sawmill foreman, all send for brides. The miner gets a lady who wants to open a jewelry store but can he keep her safe from the unsavory elements in the town? Can the sheriff find a bride with courage to take care of the prisoners in the jail that is part of their own home? Can the reformed bandit find a women who can learn to forgive and trust him? Can the sawmill foreman deal with a baker who sets a fire? Can they all find love and what they need? This is a very interesting read and sweet romance. I highly recommend it. I received this ARC set for a voluntary, honest review. This is my honest review.

this is an excellent set of stories of the brave ladies that left everything to move across country to be 'mail order brides' i love that you not only have these lovely romance stories but they include social history details too. these stories are all set in coloma and so the characters appear in all the stories giving nice continuity. i received this arc for review consideration. i can recommend these stories wholeheartedly. they are well written , have great characters and you feel the love and christian spirit in all the stories. thank you charity...more please.

I received this for review consideration so here goes. I'm impressed with all the couples in this book, Daniel & Hannah, Franklin & Louise, Benjamin & Maybelle and Thomas & Violet. Each had their dreams, hopes and fears. Each had to overcome problems that would come up, will they do it together? Will their marriages actually happen or will they call it quits before they even say I Do? This author is amazing, I've read other books by her and I recommend this one wholeheartedly. You will enjoy it as much as I have I'm sure.

Four men set out to better their lives by sending away for brides. Each man's story shows determination to find the right woman to marry, share their lives with and hopefully raise a family. As I read of how the men's lives changed, I also enjoyed hearing how the town was changing into something they could be proud of. I love these stories. Charity Phillips never disappoints. I received

this ARC for review consideration.
