Ellen Von Unwerth: FrÄulein

Synopsis

They're not your girls next door: Fashion and fetish in a female fantasyland Ellen von Unwerth was a supermodel before the term was invented, so she knows a thing or two about photographing beautiful women. Now one of the world's most original and successful fashion photographers, she pays homage to the world's most delectable females in *Fräulein*. This celebration of our era's sexiest female icons includes Claudia Schiffer, Kate Moss, Vanessa Paradis, Britney Spears, Eva Mendes, Lindsay Lohan, Dita von Teese, Adriana Lima, Carla Bruni, Eva Green, Christina Aguilera, Monica Bellucci and dozens more. Switching effortlessly between color and immaculate black and white, von Unwerth's photography revels in sexual intrigue, femininity, romance, fetishism, kitsch humor, decadence and sheer *joie de vivre*. Whether nude or in lingerie and a dazzling smile, her subjects are never objectified. Some flaunt personal fantasies; others are guarded, suggesting that we have stumbled into a secret world. Fashion and fantasy were never so enchantingly combined. These images were shot over the last 15 years and many are previously unpublished. Text in English, French, and German

Customer Reviews

Ellen von Unwerth worked as a top fashion model for 10 years, before taking up the camera and becoming one of the world's most in-demand fashion photographers. Her editorial work has featured in countless magazines, including *Vogue*, *Interview*, *Vanity Fair* and *i-D*, while her major advertising campaigns include *Victoria's Secret*, *Banana Republic*, *Guess*, *Diesel*, and *Chanel*. In 1991 she was

awarded first prize at the International Festival of Fashion Photography, and her work was featured in Archaeology of Elegance (2002) and Fashioning Fiction at MoMA/Queens (2004). Her many individual exhibitions include a one woman show at the Hamilton Gallery in London, and her photo-novella Revenge (2003) was accompanied by exhibitions in New York, Paris, Amsterdam, Hamburg, Moscow and Beijing. Ingrid Sischy is a Contributing Editor for Vanity Fair. A former staff writer, photography and fashion critic at The New Yorker, she was editor in chief of Interview, 1989-2008. She has profiled Keith Haring, David Hockney, Jeff Koons, Nicole Kidman, and Madonna, among many others.

This is such a beautiful book. If you are into Fashion Books from outstanding photographers, this is a must have. Ellen von Unwerth has a very distinguishable style that I am sure you will enjoy the imagery from her immaculate storytelling.

Brilliant! Funny and sexy, one of the rare exceptions of a female photographer who is able to make hyper beautiful super models look interesting and show or give them character in her photographs.

Awesome book. Brand new. Fast shipper. Love it.

The perfect coffee table book!

The content of the book is 4 stars. It's light-hearted, sexy, beautiful. It's a very big book, probably 80% of the photos are just throwaways, but there are still quite a few striking gems to find. The problem is the print quality control. That's 0 stars. My copy was covered in streaks, tons of dust, smudges. It all occurred while the ink was still wet; it's like a dust storm blew through the printing facility and left grains all over the pages. Absolutely terrible.
