Customer Reviews

We have been to Ireland 8 times previously. This book is full of information and recommendations for lodging and eating. It is well worth the price.

This guide seems to leave no stone unturned. Tons of info on all counties in Ireland including: Worthwhile places to visit, eat and stay. Very very glad I ordered this book. It will go with me to

Ireland as an inhand reference.

So much information, not enough time.

Very informative and helpful. Includes a full pull out map as well.

Three were numerous time when I'd index a place or highlight only to find it missing from the index but available in the book's text. Weird for me. I feel like anything worth a mention as a highlight in the text should be if able by indexing. But, maybe that's just me!
