Nicaragua! I Love It, Warts And All

Synopsis

This is a book about the pros and cons of living in Nicaragua when you retire. Some things make me very happy and then there are other things I could live without. The pros outweigh the cons in my way of seeing things.

Customer Reviews

The book could have been great! I am not sure the whole book downloaded to my kindle because it was very disjointed and I felt like parts were missing. I liked the authors style and humor. Wish it was a real length flowing book

Very little info, definitely a scam even for 99¢, maybe 25¢. Don't buy, you will only get angry. Shame shame
