## Customer Reviews

The book was advertised as new but arrived wet and as it dried the pages and binding became warped and wavy.

Arrived as described in great condition and received it very fast. Thank you.

excellent price and book is in brand new condition.

I purchased this book for my son to have at home, so he doesn't have to carry books home. Because we have our own copy, he tends to read the information longer. Worth the price to buy one!
