Top 10 Moscow (Eyewitness Top 10 Travel Guide)

Synopsis

DK Eyewitness Travel Guide: Top 10 Moscow will lead you straight to the very best this city has to offer. Whether you're looking for the things not to miss at the Top 10 sights or want to find the best nightspots, this guide is the perfect pocket-sized companion. Rely on dozens of visually engaging Top 10 lists, from the Top 10 museums, churches and cathedrals, and socialist-era architecture to the Top 10 events and festivals, performing arts venues, distinctive Russian drinks, and more. There's even a list of the Top 10 things to avoid. The guide is divided by area with restaurant reviews for each, as well as recommendations for hotels, bars and places to shop. The guidebook includes sections that cover all the popular tourist sights, including The Kremlin and Red Square, Kitay Gorod, Arbatskaya, Tverskaya, and Zamoskvorechye. You'll find the insider knowledge you need to explore every corner of the city with DK Eyewitness Travel Guide: Top 10 Moscow and its pull-out map.

Handy travel guide. I purchased it for my upcoming trip to Russia, where I'll be spending a 3-day weekend in Moscow so didn't want a huge book just for that city. The maps will come in handy, as I tend to get lost even when I'm following very specific directions. I think I'll be frequenting the "Street Smart" section, with such Top 10 lists as "Things to Avoid" and "Moscow on a Budget". My only complaint is that there's several full-page or even two-page spread photos, which I think are a bit of an unnecessary addition to a travel guide. But that's my opinion, and I realize some people might

like the photos to get them pumped or help them find things.

My wife and I spent four days in Moscow at the end of a Russian River cruise. This light weight, compact book was very helpful in describing and explaining what we should see and do (in priority order) during our visit.

This little book saved us more than once on our trip to Russia. It is hard to find English-speaking people who can give directions over there so if we were lost we just showed the picture of where we wanted to go and were guided. Also when looking for churches or other buildings it's the only way to know exactly what it is you're looking at since there aren't English signs. For our next trips we'll definitely purchase these guides again.

Everything I need to know around Moscow, Map and guides were A+

I always purchase eyewitness guides for the countries I am visiting. They provide so much useful information and I can find wonderful hidden items in every place thanks to the authors of these books. Love the information!

all you need to prepare a short trip to Moscow. Is a typical DK top 10 guide. No more no less

I have used these Top 10 books to travel all over Europe. They are a great guide in planning your trip. Using these saves a lot of time and you don't miss any highlights.

DK has the best guides in the business, but the Top 10 are only partially complete. One needs to do considerably more research in advance...then the Top 10 are great for carrying in your handbag or coat pocket. The maps are excellent and worth the price alone.
