Rules For Modern Life: A Connoisseur's Survival Guide

Synopsis

Do gentlemen wear shorts? What are the rules regarding interior decor in a high-security prison? Is it ever acceptable to send Valentine's cards to one's pets? The twenty-first century is an age of innumerable social conundrums. Around every corner lies a potential faux pas waiting to happen. But if you've ever struggled for the right response to an unwelcome gift or floundered for conversation at the dinner party from hell, fear not: help is at hand. In *Rules for Modern Life*, Sir David Tang, resident agony uncle at the Financial Times, delivers a satirical masterclass in navigating the social niceties of modern life. Whether you're unsure of the etiquette of doggy bags or wondering whether a massage room in your second home would be de trop, Sir David has the answer to all your social anxieties - and much more besides.

Brilliant... Hugely entertaining * The Times * Useful and, more importantly, vastly entertaining * GQ * Incisive, outrageous and preposterously entertaining. Reading these essays in style, manners, gossip, grace and good sense is like sharing a private railway carriage with a mad but marvellous maharajah. I never wanted the journey to end -- Stephen Fry Funny, clever and disgraceful. His 'rules' are anything but conventional, they are refreshing and humorous reflections on our daily actions, much more than a code of conduct -- Nicolas Berggruen Genuinely hilarious. David was the only person who could make my father laugh (and who incidentally rated him and only him as being at his level as a club owner) -- Robin Birley David Tang is an astute observer of the social scene with a wicked sense of humour. A most welcome read in these dark times -- Adrian Zecha David Tang is my 'UNCLE DAVE': Unique, Notorious, Charismatic, Lovable, Eccentric, Daring, Anal, Vivacious, Enigmatic -- Kate Moss Can't wait to read it -- Axl Rose

Sir David Tang is founder of the China Club, Shanghai Tang and China Exchange. Prior to his career in business he taught philosophy at Peking University. He writes a weekly column for the

Financial Times, in which he answers readers' questions about property, interiors, architecture and gardens - although he often strays beyond his remit to debate concerns about everything from etiquette to grammar.

Very funny and a bit non-PC for those that can appreciate the ridiculous level PC has pushed some conversations!

Wonderfully entertaining and informative.

Good stuff! Worth reading to remind ourselves.

Interesting. Most of the book appears to be repeats of his columns in the Financial Times, but still worth reading.

Witty stuff...and a real hoot.....honestly funny.....found him by reading the Financial Times!

Just excellent!

Fantastically comical. Very true to life.Sir is definitely an Agony Uncle he has made my sides ache with laughter.WELL WORTH IT.Just Peter.
