Falls Of Redemption - Boxset: A Military Fantasy Epic

Synopsis

Experience the fist-pumping fantasy trilogy about brothers in arms, epic love, and a war to end all wars. Readers are calling the Falls of Redemption trilogy "emotional," "action-packed," and "inspiring." This omnibus edition includes all three books, over 800 pages of military epic fantasy. Save over big when you buy the box set. From author of the bestseller Reclaiming Honor books (A Kurtherian Gambit series), with Michael Anderle. Land of Gods Narcelâ™s enslavers took everything from him: his family, the woman he loves, and his freedom. All he has left is his will to live and a burning hatred for his masters. Years of living and training with the Mawtu changes Narcel. Once his sworn enemies, he now considers these men friends and brothers-at-arms. He'd be the perfect warrior if he could stop swooning over Kaire, the girl of his dreams. Battle looms on the horizon and the Mawtu army faces its toughest challenge yet. Will Narcel side with his enslavers and lead their army to victory, or will he go after the girl and betray the army that took everything from him? Retribution Calls Narcel betrayed his military family to be with the love of his life. Now he and Kaire head north in search of a legendary land of the gods, hunted along the way by the most vicious warriors alive. When their journey takes a turn for the worst, Narcel finds himself in a life or death struggle that involves the reinstatement of a king, the final confrontation with his cousin, and hand-to-hand battle with a god. Tears of Devotion Just when peace seems to have settled in Braze, the dark power of The Six throws the land into turmoil. Equitas and Semreh team up again to risk everything in a fight against insurmountable odds. The fate of the world lies in their hands, but what chance do they have when the stakes are beyond what any mortal can bear? Blades of Gresva - A Short Story A special bonus short story is included! SERGON sets off on a quest to wipe out a faction of worshipers of The Six, old gods that required human sacrifice to bring people back from the dead. He finds himself sneaking through pirate camps and confronted with his worst nightmare in a life or death mission that may be his last. As Game of Thrones is based on the Wars of the Roses, The Falls of Redemption trilogy in an epic fantasy series based on Ancient Greek wars. It features fast-paced action, assassination attempts, and a dragon.

Customer Reviews

This book was written with passion, great story, fast paced with an easy flow. There is action, love, hatred, brother hood, enemies, family loyalty, family hatred, uniting citizens, strong leaders, and weak leaders. This book will have you not wanting to put it down. Read it for the action alone you won't walk away wanting. Great workÃ Â Â™Âœ

When taken with book 0 Blades of Gresva (Falls of Redemption Book 0) this is an extremely readable and engrossing series. I highly recommend this if you like character development, bits of romance, plot twists, military battles and some magic thrown in you will definately enjoy the series. Through the course of the series characters expand and develop, new lands and cultures come into play, and plotting is widespread.

Wasn't sure how this one was going to go but it got better and better. So glad I stuck it out!!

Where do I begin. Every character played an important role. Exquitus and Adonis were wonderful. Kaire and Lokum whom I loved to hate, I ended up loving. Queen Gaila is wonderful. Amaris and their son Joras play a most important role. Can't forget dear King Semre and the Queen Teah which were so dear to Exuitus and Amaris. I loved these three books. All should read them!

Very good, I read all three back to backÃ Â Â^Â

I liked it

Overall I give this set 3.5 stars. There is violence, it is a military thriller, so it might not be suitable for more sensitive readers. The first book starts off slow but picks up the pace and is worth continuing to read. The book blurb adequately describes the storyline so I'm not going to repeat all of that info here. This is a military thriller that starts out filled with boys training to become warriors and learning there is more to the world than they thought. The main character is a teenage male who is a dreamer who would rather be painting. He is struggling to figure out how to survive in a hostile place after he was betrayed by someone close to him. Will he risk everything to go home again to the girl he left behind? And what he will do if he decides it is worth the risk? As usual, everything is not as it seems.

Good plot twists. Well written
