Ghost In The Hunt (Ghost Exile #3) (World Of The Ghosts)

Synopsis

CAINA AMALAS is the Ghost circlemaster of Istarinmul, the leader of the Emperor's spies in the city. With the aid of mysterious allies, she fights to stop the sinister plans of the ruthless Grand Master Callatas. But Callatas has spent two centuries preparing to remake humanity, and he will exterminate any who dare to oppose him. CLAUDIA ABERON DORIUS was once a sorceress of the Imperial Magisterium, yet now she is the wife of a high noble of the Empire. Civil war rips the Empire, and the rebel sorcerers have targeted her beloved husband for death. Claudia has no choice but to work with Caina, the woman she despises most in the world, to save her husband's life. But a danger comes that neither Caina nor Claudia have foreseen... KALGRI is the Red Huntress, the centuries-old assassin of legend. She has killed kings and princes, sorcerers and alchemists, young and old and rich and poor, and laughed at their screams and rejoiced at the tears of their families. She has slain countless innocents, and no one has ever stopped her. And her next target is Caina Amalas. ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works.

Customer Reviews

This was one of the more intense books I have read from this world of books. Couldn't put it down for long. Recommended.

Jonathan Moeller is one of my favorite authors. I stumbled onto him by reading the first Demon souled book. I read that complete series and the Third Soul series, the complete Tower of Endless Worlds series, and have read all the Ghost series he has written (waiting on the next one). I am also waiting on the next Frostborn. His characters are so complex and interesting, the stories so compelling, I can't wait until the next book.

I have not left reviews for each book because as I use I thought I would follow finish them all and leave a rave review. However, they just keep coming and I continue to purchase the stories. The plot is thought-provoking and each time I think I have, it figured out another twist is introduced. Love Mr. Moeller's writing.

Ghost in the Hunt follows the same formula as the other 11 books in the series, and what a great formula it is! If you liked the other ghost books, you'll like this one too.

I enjoy reading these books for a fast read without having to think a lot. I just read and enjoy the fantasy of the story. I have read all the GHOST books written so far and waiting for the next one. Easy reading and relaxing. Buy it, if you enjoy good fantasy and some intrigue.

I can't get enough of these books. I read one as a free-bee and was addicted after that, I buy each of these books as soon as they come out, and can't wait until the next!

Can't wait for the next one!

I love this character. A woman with guile and the ability to defend herself. This series is great and I'm enjoying it.
