Doug Fields has been a leader in youth ministry for over 30 years. In addition to being a youth pastor at two churches for 11 and 20 years, Doug is the founder of Simply Youth Ministry, the co-founder of Downloadyouthministry.com, the author of more than 50 books, and is currently working with Youth Specialties & Azusa Pacific University (HomeWord's Center for Youth/Family). The Purpose-Driven Youth Ministry gives practical examples and thought-provoking insights into why we do what we do in youth ministry. Being able to recognize that some programs will work, others will not and must be discontinued was an eye-opener to me. Trying different things that work for your youth group at this time, is a concept that benefits the youth group as a whole, and thus, strengthens the gospel message.

When you are just getting started in a youth ministry this book is helpful especially if you are unfamiliar with kids. Some of it has nothing to do with the realistic struggles of today's kids though.

I bought this book for work. It came in right on time and was in perfect condition! It had some very helpful points in it!

It was awesome it far exceeded my expectations I would definitely buy again I can't say enough about the product and service

I went through this booklet and feel that there are better resources for my needs with our youth

group. Refers to the video which I don't have and would likely be best used also with the text, which I don't plan to read. Oh well, purchased it used and only paid a couple dollars.

I have used this training guide in my ministry and I am here to say that it really works. The training kit comes with an interactive video featuring Doug Fields. It is a great discussion starter for your youth team. The book guides the participants through the different concepts of a PDYM. The questions for discussion help to lead your ministry team to discover why they do the things they do in ministry. It lays out the principles of PDYM clearly and concisely. I recommend this kit to anyone who wants to train a youth leadership team in the church in the best way they can. The kit is just one step down from having Doug Fields come and explain the model in person. No youth pastor should be without it!

I urgently need this book and the videos Can someone please help? Charlene.potgieter@gmail.com

This product helped me better understand the book. Along with the video, this put flesh on the book. If you read this without the video or the book, it won't make sense. Don't buy this alone! It goes with a video. I love Doug Fields' stuff. It's always practical and helpful.
