# Photography For Real Estate Interiors: How To Take And Create Impressive Interior Photos

## Synopsis

From gear to editing, composition, lighting, settings, techniques and more, real estate photographer Nathan Cool provides a comprehensive guide for shooting high-quality interior real estate photography from start to finish. Learn how to not just take, but also make great real estate interior photos with an efficient workflow and cost-effective tools to speed up your shooting and editing processes. With numerous real-world examples, screen shots, diagrams, and external links to Nathan's video tutorials, you'll learn the principles that Nathan Cool and many other professional real estate photographers apply to their work. Far from being a dry academic tome, this book shows practical techniques that prove profitable for a real estate photography business. See how you can stand out from today's crowd of camera clickers and show clients you charge like a pro because you shoot like one.
