Jim Crow Guide: The Way It Was

Synopsis

"A tongue-in-cheek travel guide to the United States as Stetson Kennedy saw it in the 1950s when segregation was still firmly in place and when there were many barriers in housing, education, and job opportunities for blacks, Native Americans, Jews, Puerto Ricans, Mexican Americans, and almost anyone who was not a white Protestant. . . . The Guide was [first] published in Paris in 1956 by Jean-Paul Sartre because the author could find no American publisher who was willing to issue the book. In this new edition, Kennedy has added an afterword that provides his impressions of contemporary "desegregated racism".

"Florida Historical QuarterlyJim Crow Guide documents the system of legally imposed American apartheid that prevailed during what Stetson Kennedy calls "the long century from Emancipation to the Overcoming." The mock guidebook covers every area of activity where the tentacles of Jim Crow reached. From the texts of state statutes, municipal ordinances, federal regulations, and judicial rulings, Kennedy exhumes the legalistic skeleton of Jim Crow in a work of permanent value for scholars and of exceptional appeal for general readers.

Book Information

Paperback: 283 pages

Publisher: University Press of Florida (February 1, 1990)

Language: English

ISBN-10: 0813009871

ISBN-13: 978-0813009872

Product Dimensions: 8.7 x 5.6 x 0.6 inches

Shipping Weight: 11 ounces

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Customer Reviews

Sad but enlightening information. Enjoy reading it but have to read a little at a time, Intense.

"Jim Crow Guide: The Way It Was", is an excellent 'guide' to life in the Jim Crow South. Stetson Kennedy's book amply captures this era, when terrorism of an entire class of U.S. citizens, in the

South, was the order of the day. The author's style of writing and unique presentation technique, makes this work easy reading for general readers and all students of American History from 9th grade and above.
