Customer Reviews

Not a great overall guide to Bali, but there are many good points and tips presented, such as things you should be aware of before visiting. Some information is out of date. i.e., the Visa Upon Arrival is now \$35US, and Airport Departure tax is now 200,000 bahts. You should buy another guide to supplement this one.

Used the book extensively on our month-long trip to Bali. Very nice info.

Detailed just enough but not too much that one can't easily get through it. I am using it to plan our trip. I am comparing this book to two others that I purchased btw.
