Handbook Of Hematologic Malignancies

Synopsis

Handbook of Hematologic Malignancies provides a unique, practical, and concise guide focused on the must-know points of diagnosis, prognosis, therapeutic management, and cutting edge clinical trial opportunities for each hematologic malignancy. With an ever-increasing growth of evidence and a significant expansion of available treatment options for patients with hematologic disease, remaining current and up-to-date can be extremely challenging for practicing clinicians. This comprehensive subspecialty handbook is designed and organized for the busy hematologist, hematologic oncologist, hematopathologist, and trainee in mind. Every chapter is richly illustrated with color figures and flow diagrams, and contains helpful tables on differential diagnosis, prognostic scoring systems and therapeutic options. A concise case-based review for testing pathologic diagnosis and clinical knowledge for each chapter is included for digital download online and in the e-book. Written by experienced clinicians at the world-renowned Moffitt Cancer Center in Tampa, Florida, as well as contributions from leading academicians throughout the country, this handbook is an essential resource for anyone diagnosing, treating, or managing patients with hematologic malignancy.

KEY FEATURES: Contains clear prognostic and diagnostic tools (e.g., tables/flow diagrams/pathology images) with emphasis on key differential diagnoses and diagnostic dilemmas
Easy to use treatment recommendations with bullet point format and key references
Discusses the future of patient management based on practice changing clinical trials
Includes access to digitally downloadable case-based clinical scenarios and questions with high resolution pathology images linked to each individual chapter

Book Information

Paperback: 404 pages

Publisher: Demos Medical; 1 edition (November 14, 2016)

Language: English

ISBN-10: 1620700948

ISBN-13: 978-1620700945

Product Dimensions: 5 x 0.5 x 8 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)
