September 14 2012. Ms. LeeJai Cook, Roaring Springs, Texas USA.SUBJECT: SEARCHING FOR A WORD[S] IN THE NEW UNGER'S BIBLE DICTIONARY. Using Control-F to search.I have stated, along with numerous others, that I heartily recommend The New Unger's Bible Dictionary.However, some people who use the digital [Kindle] edition state that they find the task of searching for a word in this dictionary to be a tedious task.Following is a method that may lighten the chore.USING CONTROL-F.1. Down the left side of the document is a black stripe.2. Press Control-F.3. A white bar appears at the top of the black stripe.4. Type in a word, or words, to search for, such as Great Tribulation. On my computer the matches immediately begin to appear down the stripe.5. Twenty-five [25] matches are listed. [The number of matches found appears immediately below the white bar.]6. The first result is at Page 62 at Location 4069. The last result is at Page 1307 at Location 63607.Incidentally, the last word "Zuzim" is located at 67606 of 67638.The Kindle [digital] dictionary has 1412 pages.The information found for "Great Tribulation" is especially relevant. According to the Bible, the Years of Tribulation will be as nothing ever before seen on our planet. These Years will be soul-searing and seemingly never-ending. ALL persons on the planet must endure the Years of Tribulation. THERE WILL BE NO RAPTURE.=====

The information is amazing, but using the book on the kindle is quite cumbersome when looking for the definition of the word. I have to scroll and guess as every reference to the word is also listed.

I received my book in nearly new condition, including new-book smell. This book is PACKED with info, can't wait to start using it!

I have the hard copy and also bought it for my Kindle. This book is chalk full of wonderful knowledge from God's word, The Holy Bible. I use this book almost everyday while doing my bible studies. It really helps fill in a the blanks and helps complete the story of God's word! There are beautiful pictures that help explain the stories and the maps I find most helpful! I highly highly recommend this book to anyone who is interested in further learning and studying God's word.

I could never overrate this work and I recommend it to every Christian. My Unger's gets handled most every day for academic reference. At Christmas it was my gift to ladies whom I disciple; it is a present that never stops giving.This comprehensive work covers most every topic in defining detail. It is a concise Bible college education in itself.Within the binding you will access assisting photos of

Holy Land locations. Illustrated art work and detailed maps provide desired visual aids. As a chronicled antiquity guide, it doesn't lack in providing current facts. Not long ago, I was teaching the neighborhood children John chapter 4 and opened my Unger's to a photo of Jacob's Well that is referred to in this chapter. Exhibiting images of study verses imparts a lesson memory card not easily discarded.

I have other works by Unger and I'm happy an ebook is available for an easy reference.

This updated version of Unger's Bible Dictionary is beautiful. I own an earlier version and bought this for a friend. If you are a student of God's word this is a must have!

This is an amazing resource for anyone who wants to study the bible. It has a lot of helpful and interesting information. I am just starting to really study my bible and I'm excited to have this New Unger's Bible Dictionary.
