Customer Reviews

This was a great book I learned a lot and Kyle Busch is my favorite nascar driver. I recommend this book to reader who like Kyle Busch.

Any product of Enslow Publishers is a hit in my book. Couple an excellent publisher with a biography of an All American hero and you have a book that is an inspiration to read. A glossary of race car terms, an in depth Index as well as extensive chapter notes make this a fine choice for core curriculum research. Kyle Busch is still very much on the NASCAR scene, so even though this book is published in 2010, the links for Kyle's information are very much active and up to date.
