Synopsis

FUENTES is made up of FUENTES: CONVERSACIÃ“N Y GRAMÃ•TICA (FCG) and FUENTES: LECTURA Y REDACCIÃ“N (FLR). Although FUENTES: CONVERSACIÃ“N Y GRAMÃ•TICA and FUENTES: LECTURA Y REDACCIÃ“N are designed to be used together, they can also be used independently of each other. Each chapter in FUENTES: CONVERSACIÃ“N Y GRAMÃ•TICA, Fifth Edition focuses on theme, and grammar and vocabulary presentations that are based on language functions. The FUENTES program approach and philosophy: We learn by doing. By using the language to communicate original thoughts, in oral and written form, and by interacting with written texts and recorded conversations, students will acquire a high degree of proficiency. Skill integration promotes language development. Each skill reinforces the others; therefore, students learn to comprehend and produce language while practicing specific strategies for listening, reading, and writing.

Great product

Rental was a convenient option. The book has a plethora of resources to improve your Intermediate Spanish skills including verbal and listening activities.

This does not include the code for online work. Tried two separate copies. Ended up buying from university bookstore.

Excellent

This book needs to be retired. Some of the previous editions were decent, but this one is a watered down edition that has nothing but grammar in the main textbook. You can't get much more "traditional" than this, and it is obsolete and out of date.
